

Stromme Ships Cleaner

Product description

- Stromme Ships Cleaner is a mild alkaline concentrated ships washing detergent with strong soil carrying capacity for removal of typical dirt on ship's deck, accommodation and engine room. Stromme Ships Cleaner has a demulsifying effect which assures a perfect operation of the bilge water separator. Stromme Ships Cleaner contains renewable components and has a good ecological profile.
- We recommend a compatibility test on the surface prior use.

Ecology

The surfactants in this preparation comply with the rules of bio-degradability as defined (EG) No. 648/2004 for detergents - Consequently they are classified as being easily bio-degradable. The product is not hazardous to the marine environment (NOT-HME) as per GHS criteria. Stromme Ships Cleaner meets the requirements for the protection of the marine environment, as described in Annex V of the MARPOL 73/78 item 1.7.5.

Safety instruction

Read the safety instructions carefully before starting the work. For further safety handling information please contact info@stromme.com for Material Safety Data Sheet or visit our website: www.sevenseasgroup.com/stromme

Storage

Store dry and cool at room temperature and protected from solar radiation.

Minimum durability: 2 years from the date of delivery.

Stromme Ships Cleaner
Product No. 3205-30400

Application

Stromme Ships Cleaner is supplied concentrated in a 25 litre container and has to be mixed with fresh water before use. The dilution ratio for cleaning on Deck 1:8 to 1:20, Accommodation 1:20 to 1:100, Engine room 1:5 to 1:15. The cleaning solution is to be applied either with a sponge or a brush, wash away the chemical before it gets dry (do not let the cleaner dry up on the surface) and subsequently rinse off with plenty of fresh water. For wiping corridors we recommend to use approximate 20 ml per 1 litre of water. Finish with fresh water wiping afterwards.

Product benefits

- Quick and easy deck cleaning solution.
- Good dirt carrying capacity.
- Anti-static properties.
- Has a good ecological profile.
- The 25 litre container is transparent and product is inked with colour to avoid confusion.
- Suitable for different surfaces.
- The cleaning chemical is strong and effective even in high dilution and therefore very economical to use.

WARNING

Adequate equipment for personal protection must be used and respiratory protection with half or full face mask is necessary when working with chemicals and equipment. **The manufacturer and supplier are not liable for improper application and ensuing damages. We recommend checking the surface for suitability before use. For professional use only.**
